Resident/Fellow hereby appoints Baptist as attorney-in-fact with respect to all contracting, billing, and collection matters to the full extent authorized by law, including the unlimited authority to enter into managed care agreements and oversee the administration of such agreements. Resident/Fellow shall not submit any separate or

independent billings to patients, public or private third-party payors or other responsible parties.

Resident/Fellow acknowledges that violation of this provision will subject Resident/Fellow to disciplinary action, up to and including dismissal from the Program.

8. TERMINATION.

8.1 By Baptist with Cause. This Agreement may be terminated immediately for cause by Baptist upon written notice to Resident/Fellow. The reasons that Baptist may terminate this Agreement with cause include, but are not limited to, the following:

In the event that the decision is made to forego renewal, Baptist will provide the Resident/Fellow with at least four (4) months' notice when possible. The foregoing shall not be construed to require Baptist to provide at least (4) months' notice.
9. RETURN OF BAPTIST PROPERTY. Upon termination, Resident/Fellow shall immediately return any and all property of Baptist including, but not limited to, keys, card keys, identification badges or other security devices used by Resident/Fellow. Furthermore, Resident/Fellow shall vacate the practice site on the date specified by Baptist and remove all personal effects by that date. Any personal property not removed shall be deemed abandoned by Resident/Fellow and may be disposed of at Baptist's discretion.

Baptist shall be free to reinstate such term or condition with or without notice to Resident/Fellow, unless and except to the extent that such waiver is provided in writing.
13. **MEDICARE ACCESS TO BOOKS AND RECORDS.** In the event that Section 952 of the Omnibus Reconciliation Act of 1980, 42 U.S.C. § 1395x(v)(1)(I), is applicable to this Agreement, Resident/Fellow agrees with Baptist that until the expiration of four (4) years after the furnishing of the services provided under this Agreement, Resident/Fellow will make available to the Secretary of the United States Department of Health and Human Services (the "Secretary") and the United States Comptroller General, and their duly authorized representatives, this Agreement and all books, documents, and records necessary to certify the nature and extent of the costs of these services. If Resident/Fellow carries out the duties of this Agreement through a sub-contract, it will also contain an access clause to permit access by the Secretary, the United States Comptroller General, and their representatives to the related organization's books and records. If Baptist is caused a loss of reimbursement or otherwise penalized by reason of Resident/Fellow's failure to cooperate under this section, Resident/Fellow will be responsible for such loss.
14. **SEVERABILITY.** If any provision of this Agreement is held invalid for any reason, such invalidity shall not affect any other provision of this Agreement.

- 15.2 Resident/Fellow warrants and covenants that Resident/Fellow is eligible to participate in Federal programs and that he/she has not been convicted of any of the designated crimes. If Resident/Fellow is declared ineligible to participate in Federal programs or is convicted of any of the designated crimes, Resident/Fellow agrees that he/she will immediately notify Baptist of the ineligibility or conviction, and Resident/Fellow furthermore agrees that such ineligibility or conviction shall provide a basis for the immediate termination of this Agreement.
- 15.3 In the event that Resident/Fellow is or becomes ineligible to participate in Federal programs or is convicted of any of the designated crimes, and such ineligibility or conviction results in Baptist being unable to bill for such goods, services and/or products or having to reimburse payment received, then Resident/Fellow agrees to reimburse Baptist for the amount that could not be billed or had to be reimbursed for such goods, services and/or products, plus any interest incurred and any financial penalties imposed that are the direct result of such ineligibility or conviction.

This Agreement has been prepared to comply, to the extent possible, with all applicable Safe Harbor regulations and to comply with the Stark Law and all rules and regulations thereunder. All compensation and payments provided hereunder are intended to represent fair market value for the services provided and it is expressly acknowledged that no payment made or received under this Agreement is in return for the referral of patients or in return for the purchasing, leasing, ordering, arranging for, or recommending the purchasing, leasing, or ordering of any good, service, item, or product for which payment may be made or sought in whole or in part under Medicare, Medicaid, or any other federal or state reimbursement program. In the event of any applicable legislative or regulatory change or action, whether federal or state, that has or would have a significant adverse impact on either party hereto in connection with the performance of services hereunder, or should either party be deemed for any reason in violation of any statute or regulation arising from this Agreement, or should it be determined that this Agreement gives rise to a financial relationship or other relationship under the Stark Act which is not subject to an applicable exception so that referrals between the parties, or billing for such referrals, would be

prohibited or restricted by the Stark Act or other state or federal “anti-referral” law, then this Agreement shall be renegotiated to comply with the then current law and, if the parties hereto are unable to reach a mutually agreeable and appropriate modification, either party may terminate this Agreement upon ninety (90) days written notice to the other party.

- 17.2 The parties acknowledge that in the event Resident/Fellow has multiple contracts with Baptist, all such contracts shall be memorialized in Baptist’s TractManager contract management system which shall serve as Baptist’s “master list” as required by 42 C.F.R §411.357(d).
